

Trimegah Regains Its "A" Rating with Stable Outlook

Jakarta, April 11, 2019 - PT Trimegah Sekuritas Indonesia Tbk. ("Company") and the Company's Medium Term Notes I has regained its "A" rating from PT Pemeringkat Efek Indonesia ("Pefindo") with stable outlook.

According to Pefindo, an obligor rated "A" indicates that it has a strong ability to meet its long-term financial commitments compared to other Indonesian obligors. However, the obligor is somewhat more susceptible to the adverse effects of changes in economic condition than higher-rated obligors.

This rating reflects the Company's strong business position, well-diversified business lines, and strong capital. However, the rating is constrained by the volatility of capital markets and high ratio to income ratio due to tight competition.
